

Volunteer Information

Thank you for volunteering! You are making a difference in these special peoples lives!
To make sure that everyone stays safe and happy please follow the below guidelines.

GUIDELINES

1. Introduce yourself to the participants and anyone with them.
2. Ask the guardians if there is anything you need to know or be aware of while paired with the participant.
3. If in a wheel chair-ask if you can touch or move it before doing so, get down to their level when you talk with them (crouch or sit at their level).
4. Make eye contact with the participant.
5. Continue to explain what is happening even if there is no response from the participant.
6. Stay next to the participant while they are mounted on the horse and during the “bucking” events.
7. Speak directly to the person, not through their guardian. If they can’t answer or don’t then ask the guardian.
8. If there is a guide dog, do not pet or distract the dog without them inviting you to do so.
9. Treat the participants and family with dignity and respect at all times.
10. Be patient!
11. Have fun!! Cheering them on is going to make the event more fun and encourage them to do the things they may have never done before or get to do ever again!
